REF: ☐ ☐ 9457, 8 Dec 54

1. ☐ ☐ should be advised that Headquarters has no information which would substantiate the alleged contact of Subject with Kurt HASS. We are enclosing, for passing to ☐ ☐ a biographical report (FYI: culled from a ZIPPER report - MGLA-5152), and a "burn memo" dated June 1952 which stemmed from Subject's record as a papermill operator and fabricator active in Austria. As for the collaboration between Subject and HOTTI, this fact has been reported previously; however, Headquarters has no further clarifying or substantiating details on this point.

2. For ☐ ☐ station's information only: Subject was formerly an agent of ZIPPER and possibly still retains ZIPPER connections. Attention is called to ☐ ☐ report (OIR-6099) concerning a meeting in Italy between Subject and HASS in October 1953. Previous contact between Subject and HASS was reported in MAV-1679, dated 17 July 1952, which forwarded a report on the Austrian Communist Party. This report was received by HACS, working as a principal agent for GRUPOCHE in Lins, from Subject. See also OIR-6663 and OIRA-1210 regarding Subject.
